

Hand-Hammered HH

World's First Hand-Hammered
Saxophone Mouthpiece

Features

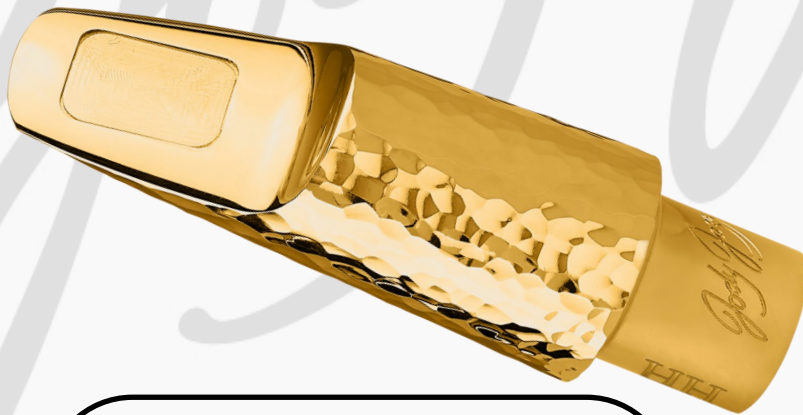

- Big beautiful sax sound
- Not too bright, not too dark
- Unmatched fullness & bottom
- Hand-Hammering causes brass to vibrate more with less effort for a sweeter sound
- Big chamber gives warmth for soft playing and sub-tones
- Heavy mass adds body & harmonics
- Notes play easily & sound consistent throughout the entire range
- Straight side walls give focus for louder playing
- Expertly hand-finished rollover baffle, tip rail & table
